Model C-7512MST Quickloader Car Hauler

Cottrell's C-7512MST is a creation all its own; the additional feature of splitting the top rear deck on our C-7512 trailer has proven to be ingenious. This new C-7512MST trailer has the ability to remain quick but yet flexible enough to take on tough loads that are required at times. This trailer has taken the quick load mentality and reached a whole new market. This 7-car trailer will fit in an operation that delivers between a 200 and 2000 mile radius. This trailer is compatible with all Cottrell headramps. Contact a knowledgeable sales associate today to find out more about this versatile trailer.
