

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model C-7512LG Quickloader Car Hauler

Cottrell's model C-7512LG is a wonderful design that instills a different market concept. This 48 foot 7-car quick load trailer illustrates another way to haul cars. This 48 foot concept is not new to the market. It's been around for years and has proven to be a great success for many companies. This trailer is compatible with a specially designed 3-car day cab chassis. If you believe the different concept of having a 48 foot trailer fits your operation, contact a helpful sales representative immediately.
