

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model CS-12LT A/B High Side Stack Car Hauler

Cottrell's CS-12LTA/B has been a benchmark for the industry. This trailer has stood the test of time; its design was spun from a proven product line of high sideframe trailers. This version of a 7/8 car stack trailer really needs no introduction. If you know car hauling, you know about the CS-12LTA/B. This 20 year evolutionary product is wonderful for meeting multiple drops and maximizing your load factor for those 400 mile plus one way trips. It is the most versatile, durable, and faithful trailer in the industry. This trailer is compatible with most Cottrell headramps. Please contact an experienced sales associate to find out more about this popular product.
