

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model EZ-4807 High Mount Chain Car Hauler

Cottrell's Hi-Pro Series EZ-4807 Hi-Mount trailer is a price leader. If you are tired of your 4-car carrier and want to step up your capacity, this may be the perfect trailer for you. The EZ-4807 has the durability and load ability to make the step up into more capacity a pleasant transition. With all the same components as our Stinger lines, the EZ series trailers have been an overwhelming success to all of our Hi-Mount customers. Check with your state D.O.T. to determine whether or not one of Cottrell's Hi-Pro Series trailers is right for your hauling needs.
