Model EZ-5307 High Mount Chain Car Hauler

Cottrell has combined many design and manufacturing qualities of our proven stinger equipment lines to create perhaps the most durable and reliable High 5th Wheel trailer the industry has ever seen. The Hi Pro EZ-5307 7 car hauler has over 9 years of on-the-road experience and is built to last. Primarily ordered with two new hydraulic options, the Belly Drop (X) and Front Tilt (L), the Cottrell 5307 is great for startup companies or as supplemental equipment for larger, established fleets. Check with your state D.O. T. to determine whether or not one of Cottrell's Hi-Pro Series trailers is right for your hauling needs.
