## Model EZ-5307 High Mount Chain Car Hauler

Cottrell has combined many design and manufacturing qualities of our proven stinger equipment lines to create perhaps the most durable and reliable High 5th Wheel trailer the industry has ever seen. The Hi Pro EZ-5307 has over 9 years of on-the-road experience and is built to last. Primarily ordered with two new hydraulic options, the Belly Drop (X) and Front Tilt (L), Cottrell's Hi Pro Series EZ-5307 is great for startup companies or as supplemental equipment for larger, established fleets.
