

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model CX-09LS Quickloader Car Hauler

The model CX-09LS is an efficient, effective quickloader-style unit. Simplicity and durability are cornerstone descriptions of this stylish, proven model. The model CX-09LS is perfect for operations that have short hauls and multiple daily loads. This trailer can be combined with our 3-Car CS or 4-Car CS headramps making it a powerhouse within the marketplace. This model can also be equipped with a special truck package for hauling full size pick ups. Contact your Cottrell sales representative to understand more about this unit and determine if it is the right Cottrell model for your business.
