

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model CX-11HCS High Sideframe Stack Car Hauler

The CX-11HCS soft tie down unit contains cutting edge innovations that truly demonstrates Cottrell's years of experience engineering and manufacturing auto transport equipment. The CX-11HCS comes from a long line of existing products that have made Cottrell the leader of the industry. With 3 independent, sliding top decks and several built in wheel pockets, this model will out load and out maneuver all other products within the NextGen series. This trailer can be combined with our 3-Car CS or 4-Car CS headramps truly making it a sought after product by all carriers. Contact your Cottrell sales representative today to discuss this exciting new model!
