

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model C-5309 High Mount Chain Car Hauler

As one of Cottrell's most popular Hi-Mount trailers, the C-5309 has revolutionized the Hi-Mount trailer market and is the most versatile Hi-Mount trailer on the market today. Built from the same quality and design standards found in Cottrell's stinger trailer line, the Hi-Pro C-5309 has proven to be the #1 choice for our more experienced Hi-Mount customers. There are Nine (9) loading positions on this trailer maximizing payload ability and utilizing stacking capabilities. Check with your state D.O.T. to determine whether or not one of Cottrell's Hi-Pro Series trailers is right for your hauling needs.
