

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model 5-Pack Metro Strap Car Hauler

The 5-Pack Metro Strap unit has proven to be a solid utility for many auto transport companies. Combined with a strategy to distribute vehicles over short lengths and to metro locations, Cottrell's 5-Pack Metro Strap can adequately supplement your equipment line up. Engineered with the same systems used in our custom headramps, built to our industry leading quality standards with soft tie capabilities, this unit offers amazingly quick loading capacity and can be operated at an uncomplicated pace. Contact us to see if Cottrell's 5-Pack Metro would be a good fit for your business.
