

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model CX-11SS High Sideframe Screw Car Hauler

Cottrell's CX-11SS is a work of art. Our Company has combined hydraulic technology to offer a true hybrid unit. This unit strategically integrates stainless screws and aluminum cylinders in an effort to provide one of the most versatile and economical units available on the screw drive market. This unit also utilizes soft tie down technology that meets the requirements of new car manufacturers. Please contact Cottrell today to understand more about this hybrid soft tie unit.
