

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

## Model CX-6MST Low Sideframe Stack Car Hauler

The CX-6MST is an efficient and effective model offering the best of both worlds. This unit allows an individual to maximize loads and make multiple drops with unbelievable efficiency. The unique feature of three split decks across the top adds a special characteristic that is key to maximizing load efficiencies. The split feature allows operators the opportunity to utilize all available loading space. This trailer can be accompanied by our 3-Car CS or 4-Car CS headramps making it a powerhouse within the marketplace. Contact your Cottrell representative today to find out more about one of our newest models.
