

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model CX-10HCS High Sideframe Stack Car Hauler

The model CX-10HCS is among a long line of popular, durable, and versatile high side frame trailers. This 6-car trailer has independent sliding decks with flippers on each end. The soft tie system this unit is equipped with meets the requirements of new car manufacturers. This trailer can be combined with our 3-Car CS or 4-Car CS headramp making it a true sought after product by all carriers. Contact Cottrell to hear more about this established model as well as some of our newer innovations.
