

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model CX-09LST Truck Hauler

Cottrell's CX-09LST soft tie model is specifically designed to haul seven (7) full size trucks. This unit combines a strategically designed 3-car headrack and a uniquely engineered 6-car trailer with a split upper deck. If you are hauling trucks outbound and need a solid 9-car load for a backhaul, this will be the right unit for you. This is a very sophisticated, specialized model so contact your Cottrell representative to ensure this model is right for your business operation.
