Model C-4808 High Mount Chain Car Hauler

With its inception in 1998, Cottrell's Hi Pro Series product changed the face of the Hi-Mount trailer market. The C-4808 is Cottrell's 48 ft "C" series Hi-Mount trailer. The "C" series trailer is designed to meet the demand of our more sophisticated Hi-Mount customers. With two (2) independent top decks and a hinged rear position, the C-4808 requires the expertise known by many of today's car hauling veterans.
