Model CS-6 SUD Truck Hauler

With new vehicle production gearing more toward pick up trucks, Cottrell has stepped up and provided the industry with equipment that can handle this trend. Cottrell's CS-6SUD heavy-duty truck hauler is built to withstand the rigorous challenge of hauling large pickup trucks across North America. With the potential to haul 4 Dualies and 2 large trucks, this unit has specially designed drop pockets, adjustable deck surfaces, and optimum weight splits that enable a consistent load factor day in and day out. If your business is challenged by these commercial vehicles, please call Cottrell today to see if this product is right for you.
