

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

Model C-7512 Quickloader 7 Car Hauler

The Cottrell C-7512 trailer model has been the most efficient and effective quick load trailer on the market for nearly a decade. This 7 car hauler has the capability of being flexible when loading while retaining a quick load and unload time. The Cottrell 7512 trailer has been well accepted among drivers due to its efficiency in operation. With one split sliding top deck and a rear hinged position, this trailer can accommodate most seven car loads. All Cottrell headramps are compatible. Contact us today to hear more about Cottrell's innovative products.
