**OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD**

<b>CAPACITY</b>	6 – 7 Trucks depending on combination
<b>EMPTY WEIGHT</b>	46,100 to 47,100 lbs depending on specifications
<b>LENGTH</b>	80FT
<b>WIDTH</b>	102 inches with the exception of safety equipment
<b>DECKS</b>	Heavy Duty

## **MODEL CX-09LSFATRI TRIAXLE TRUCK HAULER**

The CX-LSFA-TRI is the newest Cottrell 80' FA model that combines past innovations with new technology to create one mega truck hauler. Built with state weight permitting in mind, this unit can haul up to 90,000 lbs. with the additional third axle. The trailer carries a new specialized "lock and load" truck package and is built to take punishing truck loads again and again. The trailer can be combined with both a 3-Car CSFA and 3.5 CSFA TRI Car Headrack . The 3.5 CSFATRI Car Headrack can haul (3) crew cabs, but can also support mega cab/dually combinations. Contact your Cottrell sales representative to determine if this is the right Cottrell model for you.

### **PRODUCT FEATURES**

- Rear upper flipper option designed for 6ft overhang
- Ability to secure vehicles on the trailer from ground level
- Patented quick release floating rod tie down system
- Heavy duty, abrasion resistant straps rated above 3400 lbs
- 1/4" Aluminum Decking with Round Pooches
- Zinc rich fast dry epoxy primer with an Akzo Nobel top coat - 5 Yr Limited Warranty
- Parker hydraulic hoses and fitting
- Peterson Wiring Harness
- Truck Lite LED Lights with "Fit and Forget" connectors
- Back up lights and alarms on mating headramps
- Aluminum trailer air tanks
- Cast Spring Locks and Quick release pawls
- Curtiss Wright aluminum hydraulic valves
- Aluminum ladders
- Aluminum slide out loading skids with stainless steel rollers
- 17.5 Ridewell Axle Assembly
- Flip Flop & Slide skids for jump from trailer to headrack
- Zinc rich fast dry epoxy primer coating on the inside of the bottom rail

### **AVAILABLE UPGRADES**

- 17.5 Aeries Brand Tire Inflation System (smart sense)
- Polished aluminum rims
- Choice of hydraulic systems - PTO, 12 volt electric, Cottrell Remote Start/Stop
- Choice of hydraulic hose - Parker 387, Thermoplastic 510 or 518
- Pneumatic lift kit and Air operated or Digital weight gauges
- Fold out caution signs and strobe lights and additional awareness lighting options available
- Additional night loading lights - Incandescent, LED or Rope style
- "Decks up", Jack knife and low voltage warning systems
- Aluminum or Steel Wheels, Michelin or Continental tires
- Custom made aluminum tool boxes, hydraulic tanks, or spare tire rack
- Winter protection options including full or half aluminum belly pans and mesh style side curtains
- Appearance options including chrome and extra light packages, and custom paint colors and schemes
- Doran Tire Monitoring System
- QuixSpinz® ratchet heads

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

## WHY THERE'S NO SUBSTITUTE FOR A COTTRELL

### QUALITY YOU CAN COUNT ON

Cottrell products are built to the highest standards. With over 100 years of combined experience, our engineering team is constantly working to improve our products, ensure structural integrity and customize our car haulers to meet the specifications of your loads.

**WARRANTY** A 2 year structural warranty is the best in the business. Many individual parts and systems also include additional warranties.

**MATERIALS** Our haulers are born from the best materials available, including Domex 100,000 yield strength steel and aluminum alloys.

**Corrosion Resistant** Zinc rich epoxy primer electro-static paint process and rust inhibitor inside the bottom rails will keep your equipment looking fresh and is available on all models.

**SUPERIOR RESALE VALUE** Cottrell car haulers maintain a superior resale value. Plus, we'll help you sell your equipment with a free listing on our website.

### YOUR BOTTOM LINE MATTERS

Cottrell haulers are engineered with your bottom line in mind. Whether it's minimizing weight or meeting new environmental regulations, we're focused on optimizing your car haulers to save you money.

**LIGHTWEIGHT** From aluminum hydraulic cylinders, air tanks and valves, to lightweight parflex hose and accessories, our engineers have maximized lightweight materials to reduce weight.

**TIRE INFLATION MONITORING** As an optional upgrade, Cottrell car haulers can have tire inflation monitoring systems to further maximize your fuel efficiency.

### DESIGNED WITH YOUR SAFETY AND COMFORT IN MIND

We build the most driver-friendly car haulers in the industry. Whether great ideas start with our engineers or our customers, we're continuously optimizing our haulers with features that increase driver safety and comfort.

**OPERATIONAL EFFICIENCY** Patented quick release ratchet tie down systems, LED lights with 'fit and forget' connectors and gravitational slide out loading skids help you get loaded and on the road.

**ERGONOMIC** Door openings and loading angles are optimized for ease of use and to prevent damages.

**SAFETY FIRST** Fall protection kits and extended catwalks are engineered with driver safety in mind.

**COLD WEATHER OPTIONS** For cold weather areas, upgrade with side curtain and king pin apron kits, thinner hydraulic fluid, tuff coat hose protectant and aluminum belly pans.

**OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD**

## **ONE SIZE DOES NOT FIT ALL**

While Cottrell offers over 40 different trailer models to fit your applications, we know there's no universal solution. Our engineers will work with you to use your hauling routes and the vehicle types you carry to create a fully optimized piece of equipment.

### **SHORT HAUL VS LONG HAUL**

Depending on your route needs, Cottrell engineers can work with you to create a car hauler that's optimized to fit more vehicles for long hauls or minimize steps in the loading sequence for short hauls.

### **CUSTOM PAINT**

With state of the art paint booths, we can match any custom color. An electro static paint process leaves your hauler with a durable finish that prevents rust and comes with a 5 year limited warranty.

## **SUPPORT, WHENEVER AND WHEREVER YOU NEED IT**

Cottrell equipment is built to last, but if you need maintenance, repair or refurbishment, we're here to help.

### **Nationwide Authorized Warranty Repair Centers**

Over 100 repair shops and dealers around North America means support is never far away. You can even bring your equipment directly to Cottrell where our 13 bay service center and driver lounge are waiting to address your needs.

### **PARTS, MADE IN THE USA**

A large percentage of our parts are produced and assembled in the USA. And, our fully stocked aftermarket warehouse ships stock items out the same day. Custom parts can be made and shipped within 40 hours.

### **EQUIPMENT REFURBISHMENT**

Cottrell can modify your equipment when your load needs change, or new regulations are put in place. You can expect your newly refurbished unit to have the same quality as our new production units.
