OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

CAPACITY	Ten (10) or Eleven (11) Vehicles depending on combination
EMPTY WEIGHT	44,000 to 45,000 lbs depending on specifications
LENGTH	West Coast 44' 4" / East Coast 45' 6"
WIDTH	102 inches with the exception of safety equipment
DECKS	F/U Trailer & Pocket Choices

MODEL CX-7MST LOW SIDEFAME STACK CAR HAULER

The model CX-7MST utilizes a mid range approach in meeting speed, efficiency, and versatility. This model allows individuals to optimize their multiple short drop applications. However, load factor maximization for long hauls can be achieved by simply instilling a little more thought and time to take advantage of all seven (7) positions of the trailer. You will also find a unique combination of aluminum cylinders and stainless steel screws in this popular model. This trailer is best used with our 3-Car CS headramp. The model CX-7MST was adapted from the model CX-6MST to create a 7 car trailer by adding a deck over the tandem. Call your experienced Cottrell sales representative today to find out if this 7-car model will benefit your organization.

PRODUCT FEATURES

- Middle top deck split option increases cargo capacity along top decks
- Rear upper flipper option to lay flat for operator ease or for height advantage
- Two different top deck configurations one to eliminate flippers and one to utilize flippers
- Ability to secure vehicles on the trailer from ground level
- High flow, low pressure drop 4 port hydraulic valves, optimized for use with telescopic cylinders
- Patented quick release floating rod tie down system
- Heavy duty, abrasion resistant straps rated above 3400 lbs
- 1/4" aluminum decking with non-serrated round pookes
- Hendrickson light weight INTRAAX integrated suspension and axle system
- Baril zinc primer with an Akzo Nobel top coat - 5 Yr limited warranty
- Parker hydraulic hoses and fittings
- Cottrell aluminum telescopic and single stage cylinders
- USA HARDSHELL wiring harness
- Truck Lite LED lights with "Fit and Forget" connectors
- Back up lights and alarms on mating headramps
- Aluminum air tanks
- Cast quick release pawls and post locks. Cold forged spring locks
- Green Bull aluminum ladders with mating headramps
- Aluminum slide out loading skids with stainless steel rollers

AVAILABLE UPGRADES

- QuiXspinz® ratchets!
- 19.5 or 22.5 HENDRICKSON DISC BRAKE AXLES
- Hendrickson CP or Tiremax Pro tire inflation systems
- Cottrell OEM Remote Start/Stop or 24 Volt green initiative hydraulic systems
- Parker 510 plastic hose with 471 ST tuff cover protection
- Pneumatic lift kit and / or dump valve
- Air operated or digital dash mounted weight gauges
- Fold out caution signs, strobe lights and additional awareness lighting available
- Extra night loading lights available in Incandescent, LED or Rope style
- "Decks up", jack knife and low voltage warning systems
- OEM or Alcoa aluminum rims
- Custom made aluminum tool boxes
- Winter protection options including full or half aluminum belly pans and side curtains
- Corrosion options such as the triple coat paint system and inside bottom rail coating
- Cosmetic options including chrome and extra light packages, custom mudflaps and custom paint colors and schemes
- Doran Tire Monitoring System
- GPS and other Telematics

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

WHY THERE'S NO SUBSTITUTE FOR A COTTRELL

QUALITY YOU CAN COUNT ON

Cottrell products are built to the highest standards. With over 100 years of combined experience, our engineering team is constantly working to improve our products, ensure structural integrity and customize our car haulers to meet the specifications of your loads.

WARRANTY A 2 year structural warranty is the best in the business. Many individual parts and systems also include additional warranties.

MATERIALS Our haulers are born from the best materials available, including Domex 100,000 yield strength steel and aluminum alloys.

Corrosion Resistant A triple coat, electro-static paint process and rust inhibitor on the bottom rails will keep your equipment looking fresh and is available on all models.

SUPERIOR RESALE VALUE Cottrell car haulers maintain a superior resale value. Plus, we'll help you sell your equipment with a free listing on our website.

YOUR BOTTOM LINE MATTERS

Cottrell haulers are engineered with your bottom line in mind. Whether it's minimizing weight or meeting new environmental regulations, we're focused on optimizing your car haulers to save you money.

LIGHTWEIGHT From aluminum hydraulic cylinders, air tanks and valves, to lightweight parflex hose and accessories, our engineers have maximized lightweight materials to reduce weight.

TIRE INFLATION MONITORING As an optional upgrade, Cottrell car haulers can have tire inflation monitoring systems to further maximize your fuel efficiency.

DESIGNED WITH YOUR SAFETY AND COMFORT IN MIND

We build the most driver-friendly car haulers in the industry. Whether great ideas start with our engineers or our customers, we're continuously optimizing our haulers with features that increase driver safety and comfort.

OPERATIONAL EFFICIENCY Patented quick release ratchet tie down systems, LED lights with 'fit and forget' connectors and gravitational slide out loading skids help you get loaded and on the road.

ERGONOMIC Door openings and loading angles are optimized for ease of use and to prevent damages.

SAFETY FIRST Fall protection kits and extended catwalks are engineered with driver safety in mind.

COLD WEATHER OPTIONS For cold weather areas, upgrade with side curtain and king pin apron kits, thinner hydraulic fluid, tuff coat hose protectant and aluminum belly pans.

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

ONE SIZE DOES NOT FIT ALL

While Cottrell offers over 40 different trailer models to fit your applications, we know there's no universal solution. Our engineers will work with you to use your hauling routes and the vehicle types you carry to create a fully optimized piece of equipment.

SHORT HAUL VS LONG HAUL

Depending on your route needs, Cottrell engineers can work with you to create a car hauler that's optimized to fit more vehicles for long hauls or minimize steps in the loading sequence for short hauls.

CUSTOM PAINT

With state of the art paint booths, we can match any custom color. An electro static paint process leaves your hauler with a durable finish that prevents rust and comes with a 5 year limited warranty.

SUPPORT, WHENEVER AND WHEREVER YOU NEED IT

Cottrell equipment is built to last, but if you need maintenance, repair or refurbishment, we're here to help.

Nationwide Authorized Warranty Repair Centers

Over 100 repair shops and dealers around North America means support is never far away. You can even bring your equipment directly to Cottrell where our 13 bay service center and driver lounge are waiting to address your needs.

PARTS, MADE IN THE USA

A large percentage of our parts are produced and assembled in the USA. And, our fully stocked aftermarket warehouse ships stock items out the same day. Custom parts can be made and shipped within 40 hours.

EQUIPMENT REFURBISHMENT

Cottrell can modify your equipment when your load needs change, or new regulations are put in place. You can expect your newly refurbished unit to have the same quality as our new production units.
