

PRODUCT UPDATE May 2020

FABRIC TANDEM COVER

We are pleased to share our newest product option with you. Available for the **CX-09LS series, CX-09LSFA** and **CX-10HSFA** we introduce the **NEW Fabric Tandem Covers**. This new option was created with the end user in mind. Without any tools required, the new convenient access point for the tandem area is designed for easy road debris clean up and serviceability.

Please contact Cottrell or your nearest dealer to learn more about the New Fabric Tandem Cover.
