OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

CAPACITY	Nine (9) Vehicles depending on combination
EMPTY WEIGHT	41,780 - 44,800 lbs. depending on specifications
LENGTH	75 Feet
WIDTH	102 inches with the exception of safety equipment
DECKS	Extensions Required
HYDRAULIC POWER SOURCES	PTO Only

MODEL C-9ENC ENCLOSED CAR HAULER TRAILER

With over 14 years experience designing and manufacturing enclosed carriers, Cottrell has brought to market the premiere unit for hauling luxury vehicles. Utilizing screw and soft tie technology, the Cottrell C-9ENC has proven to be the only choice for those serious about hauling vehicles in an enclosed environment. Although tractor specifications for this unit are very unique, there are many built-in features that allow load maximization while protecting your payload. To see if Cottrell's C-9ENC enclosed car hauler trailer is the right unit for your business, please contact one of our experienced sales representatives today!

PRODUCT FEATURES

- Belly drop available on trailer
- Wheel pockets at front of rear upper are available on the trailer
- Removable rear upper tracks are available on the headramp
- Custom soft side Enclosed trailer system
- Abundance of hand ratchet, heavy duty style tiedown straps rated above 3400 lbs
- 1/4" Aluminum Decking with Round Star Pooches
- Hendrickson light weight INTRAAX integrated suspension and axle system
- Baril Zinc Primer with an Akzo Nobel top coat - 5 Yr Limited Warranty
- Roland soft curtain design with Bi fold transition doors
- Parker hydraulic hoses and fitting
- Cottrell manufactured stainless steel hydraulic screw lift system
- USA Wiring Harness with water tight IP67 connectors
- Truck Lite LED Lights with "Fit and Forget" connectors
- Back up lights and alarms on mating headramps
- Aluminum trailer air tanks
- Curtiss Wright hi flow aluminum valves
- Green Bull aluminum ladders
- Aluminum slide out loading skids with stainless steel rollers

AVAILABLE UPGRADES

- Choice to manufacture at a 13'6" or 14' overall height
- 19.5" or 22.5" axles assemblies
- Hendrick CP tire inflation systems
- Polished aluminum rims
- Choice of hydraulic systems - PTO or 24 volt electric
- Choice of hydraulic hose - Rubber 431, Thermoplastic 510 or 518, Tuff Cover
- Pneumatic lift kit and Air operated or Digital weight gauges
- Safety options including fold out caution signs and strobe lights
- Additional night loading lights - Incandescent, LED or Rope style
- "Decks up" and Jack knife and low voltage warning systems

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

WHY THERE'S NO SUBSTITUTE FOR A COTTRELL

QUALITY YOU CAN COUNT ON

Cottrell products are built to the highest standards. With over 100 years of combined experience, our engineering team is constantly working to improve our products, ensure structural integrity and customize our car haulers to meet the specifications of your loads.

WARRANTY A 2 year structural warranty is the best in the business. Many individual parts and systems also include additional warranties.

MATERIALS Our haulers are born from the best materials available, including Domex 100,000 yield strength steel and aluminum alloys.

Corrosion Resistant A triple coat, electro-static paint process and rust inhibitor on the bottom rails will keep your equipment looking fresh and is available on all models.

SUPERIOR RESALE VALUE Cottrell car haulers maintain a superior resale value. Plus, we'll help you sell your equipment with a free listing on our website.

YOUR BOTTOM LINE MATTERS

Cottrell haulers are engineered with your bottom line in mind. Whether it's minimizing weight or meeting new environmental regulations, we're focused on optimizing your car haulers to save you money.

LIGHTWEIGHT From aluminum hydraulic cylinders, air tanks and valves, to lightweight parflex hose and accessories, our engineers have maximized lightweight materials to reduce weight.

TIRE INFLATION MONITORING As an optional upgrade, Cottrell car haulers can have tire inflation monitoring systems to further maximize your fuel efficiency.

DESIGNED WITH YOUR SAFETY AND COMFORT IN MIND

We build the most driver-friendly car haulers in the industry. Whether great ideas start with our engineers or our customers, we're continuously optimizing our haulers with features that increase driver safety and comfort.

OPERATIONAL EFFICIENCY Patented quick release ratchet tie down systems, LED lights with 'fit and forget' connectors and gravitational slide out loading skids help you get loaded and on the road.

ERGONOMIC Door openings and loading angles are optimized for ease of use and to prevent damages.

SAFETY FIRST Fall protection kits and extended catwalks are engineered with driver safety in mind.

COLD WEATHER OPTIONS For cold weather areas, upgrade with side curtain and king pin apron kits, thinner hydraulic fluid, tuff coat hose protectant and aluminum belly pans.

OUR EXPERTISE IS YOUR ADVANTAGE ON THE ROAD

ONE SIZE DOES NOT FIT ALL

While Cottrell offers over 40 different trailer models to fit your applications, we know there's no universal solution. Our engineers will work with you to use your hauling routes and the vehicle types you carry to create a fully optimized piece of equipment.

SHORT HAUL VS LONG HAUL

Depending on your route needs, Cottrell engineers can work with you to create a car hauler that's optimized to fit more vehicles for long hauls or minimize steps in the loading sequence for short hauls.

CUSTOM PAINT

With state of the art paint booths, we can match any custom color. An electro static paint process leaves your hauler with a durable finish that prevents rust and comes with a 5 year limited warranty.

SUPPORT, WHENEVER AND WHEREVER YOU NEED IT

Cottrell equipment is built to last, but if you need maintenance, repair or refurbishment, we're here to help.

Nationwide Authorized Warranty Repair Centers

Over 100 repair shops and dealers around North America means support is never far away. You can even bring your equipment directly to Cottrell where our 13 bay service center and driver lounge are waiting to address your needs.

PARTS, MADE IN THE USA

A large percentage of our parts are produced and assembled in the USA. And, our fully stocked aftermarket warehouse ships stock items out the same day. Custom parts can be made and shipped within 40 hours.

EQUIPMENT REFURBISHMENT

Cottrell can modify your equipment when your load needs change, or new regulations are put in place. You can expect your newly refurbished unit to have the same quality as our new production units.
